FOR IMMEDIATE RELEASE

One shot during robbery

HARTSGROVE TOWNSHIP – A 26-year-old Ashtabula County man was shot, Thursday evening, during an armed robbery in the 6000 block of Hurlburt Road.

Deputies were called to the area just before 8 p.m. after receiving report of the shooting.

The preliminary investigation determined the male subject and two other individuals went to the Hurlburt Road address to retrieve some property. The male subject entered the residence, brandishing a firearm and demanded his property. A short time later, witnesses who remained outside the residence, heard a series of gun shots before the male ran out with his hand on his stomach. It is believed the male subject fired shots at the homeowner prior to being shot.

The male sustained a gunshot wound to the chest and was driven to Windsor Township Fire Department where he was treated prior to being flown by medical helicopter to University Hospitals in Cleveland.

He was listed in critical but stable condition and is expected to recover. No arrests were made.

The investigation is ongoing. No further information is being released at this time.
