ACSO awarded \$61,521 grant for traffic enforcement

JEFFERSON – The Ashtabula County Sheriff's Office was awarded a \$61,521.76 grant through the Ohio Department of Public Safety's Impaired Driving Enforcement Program / Selective Traffic Enforcement Program (IDEP/STEP).

The IDEP/STEP program is designed to promote a high visibility enforcement approach to traffic safety to create deterrence and change unlawful traffic behaviors. The funds will allow for increased road patrol and traffic enforcement to target impaired and aggressive drivers and help reduce the number of fatal traffic crashes in the county.

Enforcement activities will occur in a number of formats including national mobilizations, local blitz periods and increased patrols.
