FOR IMMEDIATE RELEASE

Two die in apparent drug overdose

ASHTABULA TOWNSHIP – A 56-year-old male and 56-year-old female were found dead inside a Maruba Avenue home Thursday night after what appears to be a drug overdose.

The Ashtabula County Sheriff's Department responded to the 200 block of Maruba Avenue after receiving information from Ashtabula Police Department. APD was looking for a missing female and received a tip that her vehicle was at the Maruba Avenue address.

After officers arrived on scene and knocked at the door with no response, they looked in the window and saw what appeared to be two dead bodies on the floor. ASCO units were called to the scene and entry was made.

Drugs and drug paraphernalia were seized from the home. There was no evidence of foul play, no signs of forced entry and no trauma to either of the victims. Cause of death will be confirmed by toxicology tests.

The investigation is ongoing. No further information is being released at this time.
